By signing below, and making my full payment by March 15, 2017, I agree to be a 2017 member of the Lotus Community Garden. I understand that my membership entitles me to:

Garden Coordinator
An Individual Garden Plot
Shared Use of Communal Gardening Areas

Lotus Community Garden will provide seeds, seedlings, soil amendments, water, and a Garden Coordinator. The garden coordinator will assign plots, offer planting schedule guidance, organize community work days, and offer mentoring/advice as needed on organic gardening practices.

As a cooperative gardener, I agree to participate in group work days as best as I can, and to maintain my personal garden area with a sustainable, environmentally responsible practice.
